President Lloyd's Page

DEAR ALUMNI:

You will be interested to know that the general condition of the College is good as we take stock in the second month of a new academic year.

Enrolment

There are 884 students, with men still outnumbering the women by about one hundred. This is because our enrolment above the former number of 800 has to be men since the women's dormitory space is no more than formerly and only men are permitted to room off campus.

High Prices

High prices affect the College as they do people and it is certain we will have a struggle balancing the budget. We were not able to balance it last year but fortunately could absorb the deficit in some accumulated current surplus and start the new year free of debt. And the spirit of faculty and students is good.

Home From Europe

I spent the month of August in Europe attending the meetings of the General Council of the Alliance of Reformed and Presbyterian Churches at Geneva and the Assembly of the World Council of Churches at Amsterdam. They were meetings of large significance, especially the World Council meeting, and participating in them was a valuable experience which I hope to be able to make helpful to Maryville College as well as to the Presbyterian Church in the U. S. A. of which I was one of the delegates. I spent time only in Paris, Geneva, and Amsterdam, and traveled over and back by air.

Alumni Clubs Again

There are reports in this issue concerning Maryville College Clubs which will be of interest to all alumni. Wherever there are enough alumni they are being encouraged to form organizations. This is a healthy movement that will bring benefit to the individuals and the College.

Financial Campaign

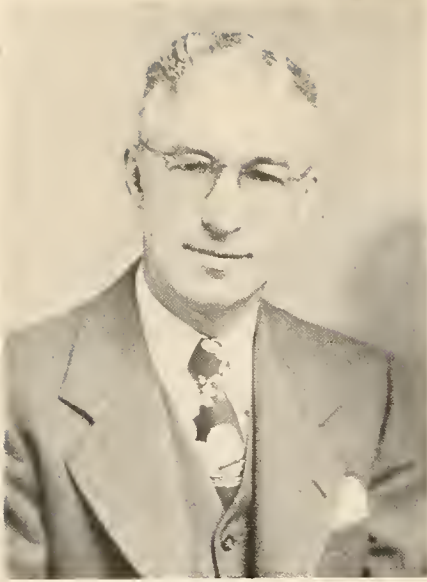

When this is read the financial campaign in Maryville and Blount County for \$150,000 toward rebuilding the Chapel will be well along. The schedule calls for completing it here in October and for another campaign in Knoxville in November. Our attention and energies will be much occupied by this and the other building projects for many months. Before a great while we will be explaining the needs more fully to alumni outside the Maryville and Knoxville communities.

Sincerely yours,

Ralph Waldo Lloyd

The Alumni President's Message

DEAR FELLOW ALUMNI:

Earl W. Blazer

As your Alumni President for this year I take this opportunity to express a word of greeting to each of you. I deeply appreciate the honor of serving in this capacity and will discharge to the best of my ability the responsibilities the office entails. It will elicit the best of which we are all capable and I earnestly solicit your help and co-operation.

Maryville College needs us more today than ever before in its history. The job of our Church related colleges in training Christian youth is becoming increasingly difficult in these days when the moral structures we have built and the very spirits of men are being tested. We must make our influence felt by helping our Alma Mater maintain its high standards and high morale for meeting the problems it must surely face. A great deal of the power and influence of Maryville comes from us and we must give our whole-hearted support to this great Institution. No half-way, half-hearted, half-apologetic service will suffice.

Winifred L. Painter

Not only does Maryville College need our moral support but it needs our material assistance. A tragic loss was suffered last year when Vocreches Chapel burned. You will recall the Chapel with a great deal of pleasure and satisfaction for I'm sure it brings happy memories of social enjoyment as well as mountain top experiences that have vitally affected every phase of life throughout the world. The Chapel cannot be rebuilt without our help.

Then there is great need for further expansion if the College continues to grow and meet the demands of the day in which we live. Maryville College will meet these demands only in proportion to our responsiveness.

To these tasks we earnestly ask your whole-hearted co-operation and support. It will take an unusual spirit of vision, courage, and sacrifice on the part of us all but I am confident that the challenge will be graciously accepted.

Sincerely yours,

EARL W. BLAZER, 1930

SUMMER ON THE CAMPUS

Three chief activities made up the summer program at the College. The first of course was the administrative and enrolment program. The offices were busy; closing of the academic year does not close the offices. An immense amount of work is necessary in the summer to close the old year, prepare for the new, and carry forward the affairs of the institution.

The second kind of activity is that of church conferences during the first half of the summer. This year there were the Presbyterian Senior Westminster Fellowship Conference, the Junior-High Camp, and the annual meeting and conferences of the Synod, Synodical Society, and Westminster Fellowship. The last named brought near to four hundred people from the various parts of the Synod, which takes in Tennessee, North Carolina, Georgia, Alabama, and Mississippi.

The third type of activity was in the schedule of painting and repairing. A great deal of expensive paint was spread and the results are gratifying.

SOCIAL DANCING

After careful consideration by the Directors, the President, and the Executive Council of the Faculty, it has been decided to permit social dancing at Maryville College effective with this college year, under the following conditions: That regulations satisfactory to the Executive Council of the Faculty shall be established governing times, expense, tone, number of functions, and supervision; and that the student body through its official organization shall assume with the Faculty joint responsibility for administration of the regulations and program.

This change of a longtime policy by the College is made with the aim of enriching the campus social program and with the expectation that the high spiritual, moral, democratic, and cultural standards of the College will be maintained. The degree to which the results fulfill this aim and this expectation will determine the permanency of the new policy. A student-faculty committee is now working on the regulations and the program.

SPRING SPORTS ROUND-UP

The Editor of the *Echo* should be given credit for the following information:

BASEBALL—With a 10-win, 6-loss, and 1-tie record before the close of the final week of school, the Highlanders travelled to Emory, Va. for a 1-6 humiliation by Emory-Henry on May 10. The following day, Tuesday, the Scottie ball club lost to East Tennessee State 1-2.

Hitting hard luck on the road, the Honakermen retired to the home diamond for the annual commencement week baseball game with Coach Ike Peel's Tennessee Vols. The M. C. nine, with hits by Neff, Hamil, and Boring took a 3-0 lead in the first inning. The Vols tied the game 7-7 by the eighth inning after Bender hit a homer in the fifth and Littleford made a circuit run on a three base hit and an error.

In the ninth inning, the U.T. batsmen were put out—one, two, three, and the Highlanders took the bat. Reynold's single sent Hamil home and the Scots were the winners. Scots' record: 11 victories, 8 losses, and 1 tie.

TENNIS—May 8, Coach Johnson's raquetteers ended the season with a 4-2 victory over Tennessee Wesleyan. Considering that this was Coach Johnson's first year and that most of the team were freshmen, the record of 4 wins and 7 losses was fairly impressive.

TRACK—At the 13th annual meeting of the T.I.A.C. Track and Field Meet at Sewanee May 8, Maryville's cindermen accumulated 7 points for a 6th place tie with T.P.I.

U.T. won the meet by scoring 75 points and setting 3 new records—in the mile 4: 13.4; the discus 155'5"; and the 2-mile 10: 16.4.

In the mile run Mabry placed a close third after coming up from tenth in the third lap. Gillette placed third in the 2-mile run while English took third in the 440. In the mile and half-mile relays Maryville placed fourth.

It was decided that next year's meet would be held at U.T. on May 13, 14.

During September and October a financial campaign for \$150,000 toward the Chapel is being conducted in Maryville and Blount County. The Campaign Executive Committee is composed of John C. Crawford, Jr., Chairman, Earl W. Blazer, A. M. Brinkley, Jr., Joe C. Gamble, Andrew B. Harris, A. D. Huddleston, Ralph W. Lloyd, Frank D. McClelland, D. W. Profitt, and A. B. Smith.

DEATHS

Rev. Thomas Judson Miles, D.D., '93, of Maryville, for the past forty-one years a Director of the College, died at his home on Indiana Avenue, September 11. Dr. Miles was an ordained minister forty-seven years, having received his theological training in Lane Theological Seminary, Cincinnati. In 1920 Maryville conferred the degree of Doctor of Divinity upon him in recognition of his outstanding service as a minister of churches in the rural areas and his leadership in the church of the entire region. At one time he served as principal of the Alpine School in the Cumberland mountains. He was married in 1895 to Enola M. Malcolm, who had been a Maryville College student. Their five children graduated from Maryville and their daughter Mary, who served for many years as a missionary to Japan, is now on the college library staff. Dr. Miles retired from active work in 1933 and has made his home in Maryville since that time.

Rev. Eli Nathaniel Quist, '03, seventy-six years old, died on June 2, 1948 at his home in Seattle, Washington, after a brief illness. He graduated from Auburn Seminary, New York, and held pastorates in Illinois and Oregon before going to Washington State. He is survived by his wife, a daughter, Mrs. Helen Sigrist, Pleasantville, N. Y., and two sisters, Mrs. Hannah Anderson, Ghent, Minn., and Mrs. Matilda Errengren, Canada.

David C. Gulick, '47, was killed June 6, 1948, when the automobile in which he was a passenger was sideswiped by another car and then struck by a ten-ton truck. Dave was a student at

Temple Medical School, Philadelphia, Pennsylvania. Surviving him are his parents, Mr. and Mrs. Clarence A. Gulick, and his brother Richard, ex-'50.

Miss Ethel Davis, who taught organ at the College for ten years, from 1937 to 1947, died September 27, 1948. Miss Davis was a sister of Professor E. W. Davis and had made her home in Maryville since 1932.

STUDENT CENTER BUILDING OPENS

Maryville's first Student Center building, combining the old Rec Hall and Y-Store facilities, opened September 3, 1948. The new building is located between the swimming pool and the football field. It will be the focal point of student social activities.

Mrs. Carmen Park Marquis, '19, has been appointed as full-time director. She will serve on the committee for determining the policies and for the control and maintenance of the Center. In addition to the director, the committee is composed of the Dean of Students, the Dean of Women, the presidents of YM, YW, and Student Council, and the social chairman.

The building was constructed last semester from army surplus materials and has been furnished by the building funds of the YMCA and the YWCA. The open fireplace, the gay and colorful draperies add to its warm and friendly atmosphere. It is equipped with ping pong tables, couches, chairs, and small tables for games and the serving of the Y-Store.

The Y-Store has been constructed along one side of the room with a serving counter which can be opened for use.

ALUMNI OFFICE

Theodore B. Pratt, '43, who served very acceptably during the past year as Executive Secretary of the Alumni Association, and his wife, who assisted in the office, resigned in the summer that he might take a position as a teacher and publicity director at Carroll College, Waukesha, Wisconsin.

Therefore, there is no Executive Secretary at the present time. Steps are being taken to find someone who can carry this work and the other work of the College which must be combined with it.

Shirley Oshana Carter, '48, whose husband is a veteran attending Maryville, is handling the work in the Alumni Office.

THOSE QUESTIONNAIRES!!

We are still accepting those lengthy information blanks. The data is very valuable to the Alumni Office, and unless you supply us with the answers the picture of our alums is incomplete.

Incidentally, there have been some rather startling replies. On the line "List other jobs or positions" one alumnus wrote, "None except working for myself and large wife and family." Of course another line explains his confusion. Under children, he listed six—two boys and four girls. Nuf sed?

ANNUAL FOUNDERS DAY AND HOMECOMING

The date is Saturday, October 23, as announced in the Catalog and by recent post cards to alumni in the states nearest Maryville.

The Founders Day service scheduled for 9:45 a.m., brings back to the College one of its most respected former faculty members, Professor C. Hodge Mathes of East Tennessee State College. He was for many years Secretary of The Tennessee College Association. His theme has to do with the founding of colleges in East Tennessee.

The Barbecue, at 5:45 p.m., gives to alumni who can attend an opportunity to meet one another around the tables and the bonfires before going to the football game against Emory and Henry at eight. Special admission price for the football game is available to alumni who attend the Barbecue.

REUNION CLASSES 1949

At its annual dinner and meeting last May the Alumni Association voted to discontinue the Dix Plan of reunions which has been in effect for some years and to follow a plan based on five- or ten-year reunions, as the Executive Committee might decide in light of individual class desires.

The following classes are scheduled for reunion at the 1949 Commencement:

Class of 1899 (the Fifty-Year Class)
Class of 1909
Class of 1919
Class of 1924 (the Twenty-Five Year Class)
Class of 1929
Class of 1934
Class of 1939
Class of 1944

Commencement is on Wednesday, May 18, 1949, and Alumni Day is Tuesday, May 17.

MONTGOMERY

A number of alumni met at dinner before the Choir Concert in Montgomery, Alabama, on April 22, 1948, for the purpose of discussing organizational plans. All alumni near Montgomery had been invited to attend. It was agreed that because of present conditions (the small number of alumni in the Montgomery area) no club should be formed in that particular area, but the Birmingham club should be encouraged.

Alumni which answered the call in Montgomery were Mr. and Mrs. August Johnston, '23 (Dollie Enoch, '24), who were instrumental in publicizing the gathering. Mrs. L. A. Caldwell, '28 (Inza Marler), Mrs. Lindsay K. Bishop, ex-'43 (Marianne Coleman), and Miss M. Catherine Payne, '46. Dean Frank D. McClelland and Ted Pratt represented the College at the get-together.

SAN FRANCISCO

"The Golden Gate Maryville College Club" was the name chosen by our alumni living in the San Francisco area at their luncheon meeting in the Sir Francis Drake Hotel on June 5,

1948. Approximately fifteen alumni attended the preliminary meeting and reported thoroughly enjoying the reunion as well as the luncheon.

The luncheon turned into a business meeting when the group decided it would be worthwhile to organize a northern California alumni group. Dr. Vincent Shipley, '12, visiting from Philadelphia and therefore an "innocent and impartial onlooker," presided during the election of officers. Dr. Andrew W. Morton, '01, was unanimously elected Chairman and Marguerite Taylor, '43, was elected Secretary-Treasurer.

President Lloyd of the College was there and showed campus sketches of the proposed building program. The group set the next meeting time tentatively for the fall and has had an invitation to meet sometime at the ranch of Mrs. Fred H. Knobel, (Mary Elizabeth Deaderick, '30) in Lafayette, California.

Alumni attending the organizational meeting were: Rev. Dr. Laurance L. Cross, '14, and Marguerite Taylor, '43, of Berkeley; Rev. and Mrs. Roland W. Present students and prospective students were invited to the picnic, which was held in North Park several miles north of Pittsburgh proper. Approximately sixty-five people attended each meeting.

The name adopted is, "Western Pennsylvania Maryville College Club." The following were elected as officers: Chairman, Rev. Dr. H. Gordon Harold, '27; Secretary-Treasurer, Mrs. James E. NEW YORK

A group of interested alumni in the New York City area met on July 12 with President Lloyd and Director James L. Getaz to discuss the question of a Maryville College Club in the metropolitan area. Those present were agreed that such a club would be practicable. A committee was appointed to explore the matter further and make arrangements for a meeting in the fall. The committee consists of John Henderson, '22, Ralph Teffelteller, '32, and William Quigley, '36.

Since that time the committee has called the meeting for Nov. 5.

DISTRICT OF COLUMBIA

A meeting of Maryville College alumni in the Washington and Baltimore areas was held at the home of Mr. and Mrs. Homer McCann in Washington July 14. There were thirty-three alumni present as well as President Lloyd, former Associate Professor Ralph S. Collins, and Mr. S. E. Hening.

It was definitely decided to maintain an alumni club for that area. The name chosen was the "National Capital Maryville College Club" and the officers elected were Homer E. McCann, '32, chairman; William Vogel, Jr., '48, vice chairman; Carol Cushman, '31, secretary-treasurer. This club will keep contact with the Atlantic Highlanders, in whose general area it is located and to which its members belong.

Mrs. Lloyd, Mrs. Earl W. Blazer, '31, and Mr. Blazer, '30, President of the Maryville College Alumni Association.

forming a Maryville College Club for the Philadelphia area was left for further consideration. Note was taken of the fact that clubs had been formed in Pittsburgh and Washington and that other clubs are being considered for central Pennsylvania and New York.

Hiram S. Balch, '15, was elected chairman, L. Philip Guigou, '07, vice chairman, and Mrs. H. E. Guigou, '26 (Mary Louise Tron), secretary-treasurer. The name, North Carolina Maryville College Club, was selected with the idea that until it seems practicable to form another group in the State all alumni in North Carolina would be considered as belonging to this one State-wide group. From the picture which accompanies this article it can be seen that this was a representative and cheerful gathering.

Where Chilhowee's lofty mountains
Pierce the Southern blue
Proudly stands our Alma Mater,
Noble, grand, and true,
Orange Garnet, float forever,
Ensign of our hill!
Hail to thee our Alma Mater,
Hail to Maryville!
